

What Can You do to Participate?

We all contribute to the pollutants that enter our local waterways. With the ongoing Stormwater Utility Fee and Credit Program, citizens are now also an important part of the solution. There are many ways to engage in the planning process and help improve water quality in the City of Harrisonburg.

1

Participate in the Residential Stormwater Utility Fee Credit Program & save money!

2

Provide feedback about the Stormwater Improvement Plan on BeHeardHarrisonburg.com and through the hardcopy comment form.

3

Engage with the Stormwater Advisory Committee and environmental organizations during Blacks Run Clean Up Day (April 8).

Stormwater Advisory Committee Members

- Dale Chestnut
- Daniel Michael
- Eldon Kurtz
- Rob Alexander
- Joanna Mott
- Ted Byrd, ex-officio
